Buy outdoor power supply warranty

Overview

How long is the warranty on the power supplies?

These products come with a 10 Year Product Warranty and a 25 Year Linear Power Warranty. TSM-PE15H 340-355W products have a silver frame and are EU-28 WEEE compliant. The recyclable packaging is also a part of this offer.

What is FSP warranty?

FSP warrants that the product will be free of defects in material and workmanship, and provides the warranty period-identified on the product package from the power supply on the date of purchase. The warranty is applied to damages caused through normal use and is void if it is resulted from, but not limited to, the following situations:

What accessories are not warranted?

All accessories that malfunction due to physical damage such as: USB cables, extension cables, adapter cables, adapters, power cords, screws, retention brackets, ear cups, and all other similar accessories. Any unsuitable environment or situation which is not under normal usage including cryptocurrency mining, and so it is not warranted.

What is not covered by the warranty for cryptocurrency mining?

Any unsuitable environment or situation which is not under normal usage including cryptocurrency mining, and so it is not warranted. This warranty does not cover any events including but not limited to: -Damage, deterioration or malfunction resulting from: high-load system use, .e.g., industrial server, computer testing tool, mining hardware.
