House circuit breaker factory in Kuala-Lumpur

Overview

Why is Malaysia a good location for circuit breaker production?

Malaysia's strong electronics manufacturing industry and strategic location make it a prime location for circuit breaker production. According to the Malaysian Investment Development Authority (MIDA), the country is a major player in the global semiconductor market and has a significant presence in the electronics industry.

Which air circuit breakers are available in Malaysia?

Their air circuit breakers are available in various sizes, including MO – Frame Size 1, 2, and 3 withdrawable models and MO – Frame Size 1, 2, and 3 fixed-mounted installations. At SCH Teknik Sdn Bhd, they strive to be Malaysia's market leader for high-quality protective devices.

Who is THK circuit breakers?

THK is a leading electrical product manufacturer based in Kuala Selangor, Malaysia, with a global reach. Their highly skilled development team specializes in producing top-quality circuit breakers for a range of applications.

Who is fortune Electrical Corporation (M) Sdn Bhd?

Fortune Electrical Corporation (M) Sdn Bhd is a renowned producer and distributor of high-quality electrical devices. The company produces dependable circuit breakers for safeguarding homes and businesses.

What is the breaking/interrupting capacity of a circuit breaker?

The breaking/interrupting capacity ranges from 65 to 130kA, with a maximum breaking time of 40 ms and a maximum making time of 80 ms. These circuit breakers also have built-in electronic trip relays that comply with IEC947-2 standards. They come with pre-alarm LEDs for overcurrent and comply with ASTA's type test authority.

Is Malaysia a major player in the electronics industry?

According to the Malaysian Investment Development Authority (MIDA), the country is a major player in the global semiconductor market and has a significant presence in the electronics industry. In 2022 (January to September), Malaysia's exports in the electrical industry were recorded at RM438 billion.
