# How many energy storage power plants are there in North Macedonia

#### **Overview**

How many power plants are there in North Macedonia?

There are a total of 276 power plants in North Macedonia, with a total installed capacity of 2,069.21 MW, including 155 photovoltaic plants with total capacity of 34 MW, 103 small HPPs (112 MW), one wind park (36.8 MW) and three biogas plants (7 MW).

How renewable is North Macedonia?

According to the International Renewable Energy Agency (IRENA), North Macedonia increased the production of energy from renewable sources to 827 MW last year, which is up by an annual 10.1% and is in line with the global average of 10.3% growth.

How does North Macedonia generate electricity?

North Macedonia has historically relied on hydropower for a significant portion of its electricity generation. The country has utilized its rivers to develop hydropower plants. There have been also efforts to harness wind energy, and several wind projects have been proposed or are under development.

Does North Macedonia still have a coal power plant?

The smaller coal power plant, "REK Oslomej," which was dormant through 2020, was reactivated in 2021 to help North Macedonia reduce its reliance on electricity imports. ESM refurbished the "REK Bitola" coal power plant boilers in 2017, but its equipment is still largely outdated.

What if North Macedonia used its technical potential?

As we can see, if North Macedonia would use its entire technical potential, it would increase the generating power by 321%. North Macedonia has calculated a potential emission reduction of 30% by 2030. Greenhouse gas emissions in N. Macedonia are in 2016 around 11Mtons of CO2 and in energy sector 7,66Mtons of CO2 equivalent.

What is North Macedonia's Energy Strategy?

As the world moves towards decarbonisation and green energy, North Macedonia is executing an ambitious national energy strategy, which foresees a 66% reduction of greenhouse gas emissions from the energy sector compared to 1990 by 2030.

#### How many energy storage power plants are there in North Macedor

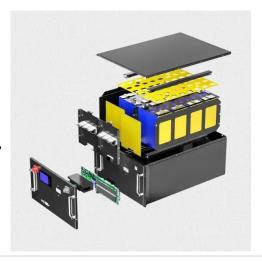

## Several energy storage investments underway in ...

Jan 9, 2025 · In a recent interview, North Macedonia's Minister of Energy, Mining and Minerals Sanja Bo?inovska said projects are under development for ...

#### **North Macedonia**
