How much is the price of outdoor power supply in Maldives

Overview

Are there power sockets in Maldives?

The TLDR for power sockets in Maldives is that it's complicated. And you can expect just about anything, but you are MOST likely to find Type G sockets. What's the Electricity Supply like in Maldives?

In Maldives, the electricity supply is 230 volts. The voltage in Maldives is the same as in the UK, and Central Europe, 230 Volts.

Do I need a voltage converter in Maldives?

If your device or power adapter is not dual voltage or you are unsure, and the voltage and/or frequency in Maldives differs from your own country, you should use a voltage converter when plugging in your devices and power adapters in Maldives. What power plug types and electrical outlets are used in Malé?

.

How much electricity does the Maldives use?

The Maldives uses 230 volts and 50Hz electricity, the same as many European countries. If your electronics are designed for 110-120 volts and 60Hz, you will need a voltage converter and possibly a transformer. Check the voltage requirements on your devices and use a voltage converter if necessary.

Are there electrical outlets in Maldives?

No, the electrical outlets in Maldives are different from those in the United States. In Maldives electrical outlets of types C, D, G, J, K & L are used, while the United States has electrical outlets of types A & B. Do I need a travel adapter for Maldives?

.

Can I use a power adapter in the Maldives?

This means that electrical appliances designed for use in the Maldives will operate at these specifications. If you are traveling to the Maldives with electronic devices from a country with a different voltage or frequency, you will need to use a power adapter and possibly a voltage converter to ensure safe and proper operation of your devices.

What power plugs/outlets are used in Maldives?

Ok, you are going to Maldives, you will use power plugs/outlets similar to the following picture (s): (includes Male.) Voltage used in Maldives is 230V and the electrical frequency is 50Hz. (more details after you choose where are you plugs from.) Maldives
