

## SolarGrid Energy Solutions

# Montenegro invests in grid-side energy storage project

## Overview

---

EPCG, the Electric Power Company of Montenegro, will launch a public tender for the procurement of 300MWh of battery energy storage system (BESS) technology before the end of the year, said Milutin Đukanović, chairman of the board of directors. Is Montenegro launching its first battery energy storage tender?

Montenegro's Elektroprivreda Crne Gore (EPCG) has upped the ante for its first battery energy storage tender. In a pioneering move for state-owned utilities in the Balkans, Montenegro's largest power utility, EPCG, is planning to launch a large-scale, battery energy storage procurement exercise by the end of 2024.

Will Kapino Polje install a 5 MW battery energy storage system?

The utility has also decided to install a 5 MWh battery energy storage system alongside its proposed Kapino Polje solar power plant, which would have 5 MW of installed capacity.

Will EPCG deliver 185 MWh of battery energy storage capacity?

In September, EPCG said it was looking to deliver 185 MWh of battery energy storage capacity across four locations. Its stated goal was to use the existing infrastructure for connection to the grid.

## Montenegro invests in grid-side energy storage project

### Montenegro to launch 300 MWh battery storage tender

Dec 16, 2024 · Montenegro's Elektroprivreda Crne Gore (EPCG) has upped the ante for its first battery energy storage tender. In a pioneering move for state-owned utilities in the Balkans, ...

### GridBeyond raises EUR52 million from investors ...

Apr 16, 2024 · GridBeyond uses its artificial intelligence (AI) software to optimise the participation of distributed and front-of-the-meter (FTM) energy assets, ...

### Montenegro Goes For 300MWh BESS Tender

Dec 21, 2024 · Montenegro's largest power utility, EPCG, is planning to launch a large-scale, Battery Energy Storage System (BESS) procurement exercise by the end of 2024. "By the end ...

## Belgian fund invests in 600-MWh battery ...

Jun 16, 2025 · The project is developed in Vise, Liege province, in partnership with Belgian energy company Luminus. The facility is designed to stabilise ...
