

SolarGrid Energy Solutions

Slovenia outdoor power bms company

Overview

Who is BMS powersafe®?

Specialising in the intelligence of embedded systems, BMS PowerSafe® designs and manufactures intelligent battery management systems, integrating new-generation software and electronic boards enabling us to be one of the leaders in the markets:.

How can BMS powersafe® help you?

BMS PowerSafe® has developed several software tools to help you control, customise and optimise your batteries. Do you have a specific requirement?

Send us a message with details of your project and we'll get back to you as soon as possible with a proposal.

Can BMS powersafe® be adapted for my electric vehicle?

BMS PowerSafe® can be adapted to your BMS needs for your electric vehicles: electric bikes, scooters, cars, drones, etc. Our stationary solutions are all developed with your needs in mind. Because your problems are unique, our company can also develop a specific solution for you.
