

SolarGrid Energy Solutions

Vietnam Ho Chi Minh Industrial and Commercial Photovoltaic Folding Container Wholesale

Overview

Who is first solar Vietnam?

Our workforce in Vietnam has grown to more than 1,200 associates who are leading the way in the development of solar module design and production. First Solar Vietnam is committed to producing the industry's best thin film PV modules while maintaining a safe and secure environment for our associates.

Why should you buy from vietnamwholesale?

"Vietnamwholesale has helped us a lot in finding new products for our domestic market. They have the valuable products that we can buy and sell to our customers here at a large amount, and of course, competitive price".

Do you trust vietnamwholesale?

"One thing I trust Vietnamwholesale is that they support us very well. At first, we just wanted to order some products with the minor quantity, but still they offer us a good price and deliver the goods quickly, so then I continue to work with them and later, big orders placed"
